SEXUAL ORIENTATION IDENTIFICATION

For each of the following ten people, check the box corresponding to whether the person is heterosexual (H), lesbian (L), gay (G), or bisexual (B).

❑ H ❑ L ❑ G ❑ B 1. A woman who has had a number of romantic relationships with women and is not interested in pursuing relationships with men.

❑ H ❑ L ❑ G ❑ B 2. A man who has had several romantic relationships with women and men, though he strongly prefers relationships with men.

❑ H ❑ L ❑ G ❑ B 3. A man who is more attracted to men than women although all of his sexual relationships have been with women.

❑ H ❑ L ❑ G ❑ B 4. A middle-aged man who has self-identified as gay since his teens but who has twice cheated on his male partner by having sexual encounters with women.

❑ H ❑ L ❑ G ❑ B 5. A woman who has self-identified as heterosexual all her life but finds herself sexually attracted to a new female co-worker.

❑ H ❑ L ❑ G ❑ B 6. A 60-year-old man who started dating a bisexual woman soon after his male partner of 30 years died of AIDS.

❑ H ❑ L ❑ G ❑ B 7. A woman who self-identifies as a lesbian, is active in the gay rights movement, but has a strictly monogamous sexual relationship with her husband.

❑ H ❑ L ❑ G ❑ B 8. A woman who had a sexual relationship with her college roommate a decade ago but has since then had sexual relationships only with men.

❑ H ❑ L ❑ G ❑ B 9. A woman who is only physically attracted to women but whose romantic and sexual relationships have been solely with men.

❑ H ❑ L ❑ G ❑ B 10. A man who has never felt sexually attracted to anyone or had a sexual relationship.
